

Media Release

AWAS acquires two 737-800 passenger aircraft on lease to Fly Dubai and Norwegian

Expanding relationship with growing airlines, continuing to leverage trading channel to grow leased fleet

Dublin, 19th May 2016

AWAS, announced today that it has acquired two modern 737-800 passenger aircraft with leases attached from another lessor.

Marlin Dailey, AWAS Chief Commercial Officer commented, "AWAS is very pleased to expand our relationships with Fly Dubai and Norwegian Air Shuttle. The trading channel is a key component of our fleet growth strategy, and AWAS will continue to acquire attractive aircraft on-lease globally."

About AWAS

AWAS is one of the world's leading aircraft leasing companies with an unmatched history over three decades of delivering solutions to our airline customers. Our team of industry professionals serves every major and developing commercial aviation market around the globe from our Dublin headquarters and offices in New York, Miami, and Singapore.

The AWAS fleet features a full range of the most popular aircraft types which includes both narrow-bodied and wide-body aircraft.
